Re. No. 19544-X3/55 dated 29.9.55.

Sir,

Sub: Education - Fisheries School - Padnekadapuram -
in South Kanara - Opening of IV standard -
proposals - under Part II scheme for 1956-57 -
submitted

The fisheries school at Padnekadapuram was opened on 2.6.54 with standards I and II as per sanction accorded in G.O. Ms. No. 1154 Agriculture dated 8.4.54 and three teachers were employed. Standard III was opened in June 1955 as per G.O. Ms. No. 1506 Agriculture dated 6.6.55. The school is now having the following strength and attendance.

Standard	June Strength	July A.A. Strength	August A.A. Strength	Expected. A.A. Strength	in June '56.
I A	31	28	31	30	34
-II	62	46	52	47	26
III	25	23	25	22	57
IV					24

Three teachers of Higher Elementary grade sanctioned for the school are now handling the three classes. An Additional Higher Elementary Grade teacher was also sanctioned by Govt. in G.O. Ms. No. 2145 Agriculture dated 2.9.55 for handling the bifurcated II standard. Standard IV has to be opened during June 1956 which will necessitate the employment of an additional teacher. Since there are four Higher Elementary grade teachers now (including the post sanction in G.O. Ms. No. 2145 Agriculture dated 2.9.55), the additional post (5th teacher) may be secondary grade to act as Headmaster.

During 1956-57 bifurcation standard II may not be necessary but standard III may have to be bifurcated and the teacher proposed and sanctioned for bifurcating standard II can be utilised for bifurcating standard III.

I therefore request that Govt. may be pleased to accord sanction to the opening of standard IV and bifurcating standard III and appointment of the Secondary Grade teacher at Rs. 45-3-60-2-90 and to incur a non-recurring expenditure of Rs. 400/- towards the supply of furniture tools and apparatus.

The financial implication will be as follows:-

I Recurring:

Pay of one secondary grade teacher at Rs. 45/-	Rs. 540-0-0
D.A. of -do. at Rs. 22/-	264-0-0
Special pay for Headmaster at Rs. 1/-	12-0-0
	816-0-0

II Non-Recurring:

Table 1	Rs. 97-0-0
Chair 1	Rs. 27-12-0
Black Board 1	Rs. 35-4-0
Benches with back 5	Rs. 208-12-0
	368-12-0 or 368-0-0

The expenditure may be debited to "40 Agriculture - Fisheries - R Fisheries Schools"

4. This Proposal may kindly be treated as part II
scheme for 1956-57.

and Commerce.

Part II Scheme for 1956-57

Recurring: Rs 1,100

Non-recurring: Rs 400

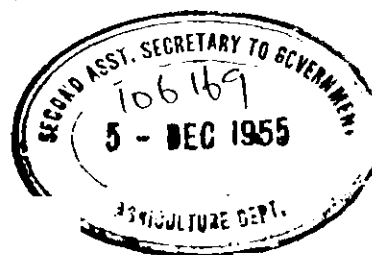

Notes from page 1 above may be perused. The proposal is to open Standard IV and bifurcate standard III in the Fisheries School at Padnekadapur in South Kanara district. The proposal involves the employment of one secondary grade teacher and a non-recurring expenditure of Rs 400/-. The financial implication involved in the proposal works out to Rs 1,100/- reog. and Rs 400/- non-recurring. Finance may agree to the proposal subject to the following remarks:

2. In view of the fact that the recurring cost in the proposal is not high, Finance may suggest that this need not be treated as a Part II Scheme for 1956-57. Orders sanctioning the proposal may be issued now but the period of sanction for the addl. teacher may be for the school year 1956-57. In other words, the D.I. & C can give effect to the orders proposed to be issued only from the school year 1956-57.

3. With the above remarks, the case may be returned to Agri.
